## ETD OF THE SEMESTER

Fraters were super engaged this week at DSA Convocation, Initiation of our new members, and our Red carnation Ball. It's been a great semester and we're looking forward to what we have planned for the summer.

### WHAT EVENTS ARE HAPPENING SOOR

We'll be having tabling events at every SOP this summer for the incoming freshman class, and we're super excited to show ourselves in the best light to the new students. Orientation dates can be found here:
