

Iota-Kappa Chapter

Newsletter | April 2022

TEKE Week

We are very proud to announce that this year's TEKE Week has been our most successful TEKE Week of all time, raising \$5,410 for St. Jude Children's Research Hospital. This has brought our current philanthropy total to \$27,145. As a chapter, we spent hundreds of service hours planning, advertising and executing more events during TEKE Week than ever before. We would like to thank our alumni, family, friends and Potsdam community for their continued support and contributions towards this accomplishment. Without the groundwork and experience gained over many years, we would not have been nearly as successful.

Shown above is the entire chapter and in addition to supporters at the kickoff of TEKE Week at the 24 Hour TKE Saw Event

Red Carnation Ball Spring 2022

On April 23rd, we held our Red Carnation Ball at Chelsea's Restaurant and Bar in Syracuse, NY. Everybody had a great time and got back to Potsdam safely in time for the final week of classes. Thank you to the alumni and guests that attended, it was great to spend time with all of you. In addition, thank you to the amazing staff at Chelsea's for hosting us and providing delicious food. If you would like to attend future events, please keep an eye on the newsletter or reach out to clappicj@clarkson.edu or tkeiotakappa@gmail.com.

Semester Calendar

Listed below are dates of significance for the remainder of the Spring 2022 semester into Fall 2022.

- **Undergraduate Commencement: May 14th**
- **Alumni Board Meeting: July 16th***
- **Conclave, Houston: July 24th - 27th**
- **Fall Semester Begins: August 29th**

Intramural Champions

The Iota-Kappa Chapter has a long tradition of participating in a variety of intramural sports at Clarkson. It is a great opportunity to stay active, build brotherhood, and interact with different student organizations. This month, one of our TKE intramural teams won the Wiffle Ball League. Our 5v5 Basketball team also did well only losing a hard fought game in the semi-finals by 1 point. We are

proud to be able to represent the TKE name in athletics across the campus.

*Shown above is the Wiffle Ball championship team in addition to some rushes including **Fraters Josh Adams, Moses Tchuinte, Matt Lanphear, Nolan Stone, Joe Nicpon, Matt Ziccardi, Chandler Kent, Sean Brynes, Jared Jimenez and David Bleskoski***

Conclave 2022 Houston

The highly anticipated Conclave 2022 is set to take place from July 24th - 27th and is the first in 3 years due to the pandemic. Conclave will be located at the Marriott Marquis in Houston, Texas. We would love to see you there and have Iota-Kappa be one of the most represented chapters, especially if you are located in the area. This would be a great opportunity to become involved with the international

fraternity if that is something that you are interested in. Please reach out if you do plan on attending so travel plans can be coordinated. More information can be found at: <https://www.tke.org/programs>

Volunteer Appreciation Month

April is volunteer appreciation month. We would like to recognize our Chapter Advisor Ed Dominy, Assistant Chapter Advisor Jacob McNamara, Faculty Advisor Nick Attanasio and all of the other volunteers from our chapter in the national fraternity. Without your support, we would not be here as a successful chapter on campus. We would like to give a special thank you to Nick Attanasio as he will be starting a new position as Production Manager for the Lake Placid Center for the Arts after 7 years at Clarkson University next month. We appreciate everything you have done for us Nick and hope you

will stay connected with Iota-Kappa in the future.

Acknowledgments

Thank you to everybody that supported TEKE week and helped to make it successful. We realize that none of our accomplishments are possible without your help. Thank you to all the members that came before us. We would not be a successful chapter on campus without the hard work, support, and

donations that continue to allow us to make a difference and provide us with amazing opportunities. Please reach out to clappicj@clarkson.edu or tkeiotakappa@gmail.com for any additional information.
