

SEPTEMBER 2024

PROVINCE FORUM

Lycoming College was happy to host the province forum conference for the keystone and dutch TKE provinces. About 50 northeast TKEs came to a lyco for an amazing and educational day.

BROTHERHOOD AND COMMUNITY

This month, our brothers went tent camping at Ricketts Glen state park and helped to coordinate a cookout for all of Greek life at Lyco. Both events boosted the communication skills of the chapter.

CELEBRATING ACOMPLISHMENTS

Frater Marshall Stoner is continuing his work alongside Dr. Allison Sanders with Birds Distilling Co. to advance innovation in rapid American bourbon ageing.

Frater Stoner also presented a poster session alongside Logan Bartlett at the Manufacturing PA Innovation Program Expo and was also invited to speak on a panel about his experiences.

CELEBRATING ACOMPLISHMENTS

TKE sweetheart Anna Glantz along with TKE alumni Holland McVey and Evan Armstong participated and completed a 90 miles canoe race. Frater Michael Hummel was also present as part of the assisting crew.

IN MEMORIUM

Frater Michael
"Winkle" Mayo #470

Mu-Theta Frater, Michael Mayo has passed away. He was an amazing Hegemon and his legacy continues to shine on the chapter. We will be having a memorial ritual for him at homecoming.

SERVICE

Jars and buckets are being left at local Lycoming county businesses and churches to collect money for St. Jude.

Mu Theta has partnered with first church in Williamsport to host Sunday slowdowns for the past three weeks, this gives people an opportunity to unplug and take care of their mental health.

Mu Theta participated in this year's walk against alzheimers raising a total of \$1,090 for the cause.

HOMECOMING

BACK TO '69
