

WINTER

MU THETA NEWSLETTER 24-25

END OF THE 2024

Active Fraters Aiden Brown and Thane Goetz made a trip out to Pittsburg to hang out with alumni Keith Essig. They had lunch with alumni Keith Heinrich and attended the Pittsburg Symphony for their special performance of the Alpine Symphony and celebration of German culture.

The Lycoming College String Quartet debuted with their performance of a Haydn string quartet. Frater Aiden Brown was honored to be a part of the group; "chamber music is important to the life of a musician because it strengthens your listening skills. I'm proud to have grown and gotten the chance to start this group--it's so fulfilling to see an audience full of happy people and know, wow, our performance touched them." In the same show, the Lycoming college String Ensemble also performed. Fraters Ryan Daniels and Will Parsells also play with that group.

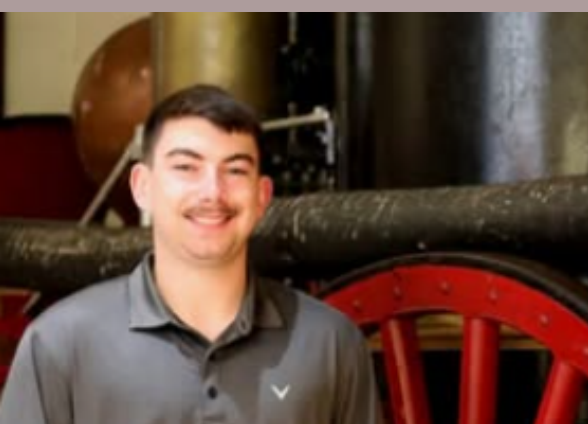

CELEBRATING ACOMPLISHMENTS

Noah Huffman earned an internship with Implantcast GmbH and will spend the summer working in Buxtehude Germany.

Aiden Brown's poem titled 'Familial Element' was accepted and will be published in the Maryland Bards poetry review in March 2025.

Kenneth Draper won ANOTHER race!

Nickolas Arnold scored a military museum internship in Fort Sill, Oklahoma for the coming summer.

NEW MEMBERS

Mu Theta was able to welcome 9 new candidates in the first few weeks of the semester. Bios for these new men will be presented upon initiation.

Are you interested in sponsoring one of these candidates in their initial fee to headquarters? (\$325) Email our president Gabriel (colgabr@lycoming.edu) to help fill out our biggest recruitment class in the last few years!

SERVICE

We've completed 5 service projects already this year; including helping First United Methodist Church with their Code Blue project. Code Blue is a shelter for homeless individuals in Williamsport that is open Jan–March at First Church. This is for protection and support of the community. The TKE brothers spend an evening making grab bags for the individuals that come to Code Blue because they oftentimes do not have any food on them when they enter the shelter. The Brothers made four big totes full of grab bags that should last approximately a month and a half.

The Brothers of 2025!

Nick Passiglia

Class Year: 2027
Major: Archaeology
and Art History

Fun Fact: I like cooking, Jazz, and my
favorite movie is The
Godfather

Cole Smith

Class Year: 2027
Major: Astrophysics

Fun Fact: I own a self-made helmet
and chestplate made of
Cheez It boxes.

Ryan Daniels

Class Year: 2027
Major: Music with
Education Cert

Fun Fact: I love cooking Mac and
Cheese

Gabe Colpetzer

Class Year: 2026
Major: Corporate
Communications

Fun Fact: I have almost 5,000
followers on Twitter with a
Philadelphia Phillies fan
account

Brenden Smith

Class Year: 2026

Major: Biochemistry

Fun Fact: I work for the humane society of Harrisburg and want to become a pharmacist after college

Will Parsells

Class Year: 2027

Major: Physics

Fun Fact: I once broke my collarbone mountain biking

Nick Arnold

Class Year: 2026

Major: History and Archaeology

Fun Fact: I'm in the Army ROTC program here at Lyco.

Marshall Stoner

Class Year: 2025

Major: Biochemistry

Fun Fact: I'm a die hard Pittsburgh Sports Fan

Chris Graham

Class Year: 2025

**Major: Biology with a minor
in computer science**

Fun Fact: Chris plays electric guitar
and likes the Red Hot Chili
Peppers

Kenny Draper

Class Year: 2026

**Major: Psychology with
secondary education cert**

Fun Fact: I'm on the cross country
team and have a raging
Coca-Cola addiction

Aiden Brown

Class Year: 2025

**Major: Music and
Creative Writing**

Fun Fact: Aiden likes to read and is a
published poet.

Michael Hummel

Class Year: 2025

**Major: History with a
secondary education cert.**

Fun Fact: I am a wilderness first
responder and outdoor
guide

Noah Huffman

Class Year: 2026

Major: German and Accounting

Fun Fact: Noah has a great internship in Germany lined up

Gale Hall

Class Year: 2025

Major: Creative Writing and Theater

Fun Fact: fGale's first semester at Lyco was Fall of 2020

Thane Goetz

Class Year: 2026

Major: Astrophysics

Fun Fact: Thane just got the opportunity to present research at the 245th American Astronomical Society conference

John Rodgers

Class Year: 2025

Major: Astrophysics

Fun Fact: John does Astrophotography and plays guitar.

Anna McKeta

Class Year: 2025

Major: English with a secondary ed cert.

Fun Fact: Anna collects Funko Pops from the movie Dark Crystal

Kelsey Schaub

Class Year: 2026

Major: Criminal Justice and Biology

Fun Fact: I can crochet

Anna Glantz

Class Year: 2026

Major: Music with a special education cert.

Fun Fact: My dad was also a Mu Theta TKE and my mom was a Mu Theta Sweetheart
