A NEW OFFICER

Greek Awards

LET'S HOPE FOR THE BEST

The annual Newberry College Greek Awards are coming up and we're excited to see all of our wonderful brothers, that were nominated. As the awards are approaching, we strive to remain working on campus and in the community to uphold what it means to be a man of Tau Kappa Epsilon. Better Men For A Better World. We would also like to extend congratulations to our Greek Award winners from last year.

Greek Week

MAY THE ODDS BE IN OUR FAVOR

The men of Tau Kappa Epsilon are no strangers when it comes down to winning, especially being back-to-back greek week champions. We are claiming a three-peat as we kick start our practicing for lipsync and conditioning for other events. Thanks to our esteemed Alumni Advisor, Dylan Francis, this year's Lip Sync theme is The Bachelor. Our hope for this year's Greek Week is to get our new members' feet wet with the tears

of the competition. We also plan to live stream on our social media pages for each event, so that you all can keep up with us in real-time. Greek Week starts March 29th and ends April 2nd, with each event starting at 8:00 pm each night. Let's wish our boys luck as they compete and go for a "threepeat". Greek Week was taken from us last year and now it is our turn to take it for our competitor by any means necessary.

T-SHIRTS

The link for t-shirt purchases is now closed. Our T-shirt Chair, Will Eubanks, is really excited about the shirts being made and shipped out. Over 50 shirts have been sold and are scheduled to arrive sometime within this week.

Red Carnation Ball

WE'RE UP ALL NIGHT TO GET LUCKY

Red Carnation Ball serves as a celebration for everyone in and around the fraternity. It is an accomplishment for the boys who went through the process, and that are still learning how to become men. It is the night our sweetheart is idolized as our icon, for she has earned her title. It is a night where alumni can celebrate amongst themselves and remember the times they often wish we could either

replicate or have been apart of. It is a time in which both alumni and active members can congregate and share stories, ideas, and love for the fraternity and brotherhood we know as Tau Kappa Epsilon. Specifically, it is the moment where the men in Omicron Theta can carry on our Founders traditions while being able to kick back and enjoy each other's company. Look out for more information as we approach our RCB date, which is April 24th.

Gamahl Keels-Bobo

HISTOR FALL 2019 PLEDGE CLASS

Gamahl is excited to continue distributing newsletters and is excited to be the keeper of the scroll. He is also excited to work with alumni relations as he realizes that our alumni fraters are the foundation of our chapter and the reason we are all here. He also works on Rush, Philanthropy, and Greek Week chairs.
