

# TAU KAPPA EPSILON

## Alumni Newsletter Omicron-Nu Chapter

Dear Fraters,

I hope that you find this newsletter safe and healthy.

As usual, we plan on having Red Carnation Ball and I wanted to make sure everyone is well informed about what we are planning on doing. **RCB will be from Friday, May 7th, to Sunday, May 9th and will take place in Kissimmee, FL.** An event will be posted on Facebook for you to RSVP if you plan on coming; that way, we can make sure we have enough space for everyone. All the information will be posted in detail in that event. In addition, please let us know if you're planning on coming with a date.

Yours in the Bond,

Patrick Menendez Rosado
