## Introduction

What’s up y’all! I hope you are all having a wonderful 2022 year. This is the new Histor, Brennan Cross. We are almost done with the spring semester, and we have grinded to make this one of the better semesters in Sigma Theta history.

## The Process

The process has just begun for the 2022 Spring Pledge class (Alpha Lambda) and we have initiated 3 new members into the fraternity. Pictured from left to right: Nick A., Mekhi Perkins, Yorel Smalls. The golden eagle of the Alpha Lambda class was Nick. The boys thrived during the process and were one of the tightest knit pledge classes over the past couple years. They are eager to begin their journey in this brotherhood.

## New E-Board

This past week the chapter elected the new E-board for the 2022-23 school year. The following fraters have shown good leadership qualities in order to take on these positions:

Emanuel Johnson– Prytanis

Chicken “Joseph” Stratis- Epiprytanis

Yorel Smalls- Grammateus

David Ryan- Crysopholos

Eric Pappalardo- Pylortes

Caden Vines- Hypophetes

Mike Milosevski- Hegemon

Neil Morris- Histor

## Alumni Opportunities

Alumni Weekend for this semester will be the weekend of April 22<sup>nd</sup>-April 24<sup>th</sup>. Here is the following schedule for Alumni Weekend:

Friday night- Ralphs

Saturday- St. Jude Open

Sunday- Wellness Center Pool

If there are any alumni that want to get in contact with the chapter or get more involved, please reach out to either myself or the current Prytanis so we can help get you in touch with the right members of the organization. The alumni play a big role in the current status of the chapter and the actives would love to get to know more of the alumni.

## St. Jude Open

On April 23<sup>rd</sup>, the Sigma Theta chapter will be hosting the First Annual Saint Jude Open. The flyers have been released and will be updated to Facebook with the reservation form so you can either sponsor or sign up to play in the tournament. ALL proceeds will be going to St. Jude to help support our philanthropy cause. Here is the following link to register to play or sign up to sponsor our great event: [St. Jude Open Form](#)

## RCB

Red Carnation Ball happened this past weekend down in Indian Shores Beach. The boys had a wonderful time celebrating the end of the year with everyone. Tyler Bourdeau took home the most awards with Brother of the Year, Top Recruiter and the Apollo Award. If any of the alumni would like to attend or help fundraise/set up the RCB for next year please give me our new social chair, Angelo Alessandro a ring.

## RLC 2022

The boys went up to Buckhead, Atlanta for RLC 2022. They had a good time and took back a lot of experience to help lead the chapter in the future. Grand council members were congratulating the chapter and giving lots of advice to the new guys. Our providence advisor was pleased with the way our chapter conducted business.

“RLC was a great opportunity in which I learned valuable skills to apply to my fraternity and my life while being able to network and connect with like-minded individuals” -Benjamin Zonic

“RLC was an experience I will never forget. I got to meet other fraters in the bond from all over the country, and got to talk to some motivational speakers who have helped guide me with insight for my chapter as well as my life” –Ely Oliveri

## Financial Standpoint

As we are nearing the end of the 2022 Spring semester, we as a chapter are hoping the alumni can help us with some donations that will ultimately benefit the chapter not only for this semester, but also for the next few semesters as well. The chapter has been coming up with creative ways to produce money, and we have raised good amounts for the chapter. With the help from everyone we can turn this crisis around. \$10 \$25 \$50 or more will help us a ton! If you would like to help in any way you can please feel free to make this courteous donation to our Venmo @SLU-TKE or our Cash app which is \$TylerBourdeau
