Homecoming Results

After outlining the Homecoming Week events in our last newsletter, we're excited to share how we finished. We showed up across the week and put in the effort at every event, earning 1st place in the Campus Cupboard Donation Drive and 1st place in Cajuns Got Talent. Our Homecoming float also placed 3rd, which reflects the time and teamwork that went into building it.

With those results combined, we earned 1st place overall for Homecoming Week, making it one of the biggest wins of the semester for us.

Our guys on stage after taking 1st place in Cajuns Got Talent during Homecoming Week.

Initiation Ceremony

This semester, we held our initiation ceremony and officially welcomed 19 new brothers into the chapter. Initiation is one of the most important traditions we have, marking the point where commitment, growth, and brotherhood are formally recognized. It was a proud moment to see each of them complete the process and take their place in our brotherhood. This new class brings strong energy and involvement, and they've already made a positive impact on the chapter. We're excited to see how they continue to grow as leaders and contributors moving forward.

Initiation day
with our newest
class of brothers

Homecoming
float on parade
day, proud to
bring home 3rd
place.

New Executive Board

We've elected a new executive board for the upcoming term, and we're excited to see where their leadership takes the chapter next. We appreciate the work and dedication of the outgoing officers and everything they contributed this past term. The new board is stepping in with strong momentum and clear goals to keep building on our recent progress.

Prytanis : Hunter Chabert

Epiprytanis : John Berrigan

Grammateus : Reese Rabb

Crysophylos : Bryce Hite

Histor : Aidan Wieber

Hypophetes : Christian Daigle

Pylortes : Allan Hayes

Hegemon : Blake Gaynor

Semiformal Recap

This semester, we held our semiformal at The Office Bar, giving everyone a chance to step away from meetings and events and enjoy time together. It was a great turnout and a strong night for brotherhood and social connection. Events like semiformal give us the chance to celebrate the work we've put in throughout the semester and build even stronger friendships outside of our regular schedule.

Giveback Night at Agave

We're hosting a giveback night at Agave Mexican Grill & Cantina in support of our St. Jude philanthropy efforts, and we'd especially like to invite our alumni to join us. A portion of the night's proceeds will be donated, and your support helps us continue our fundraising and service work. There will also be karaoke during the event, so come out, have some fun, and spend time with the chapter. If you're in town, we'd love to see you there.

Histor's Desk Final Message

Serving as Histor for Tau Kappa Epsilon has meant more to me than I expected when I first stepped into the role. I did not just get to take pictures and write recaps. I got to capture the moments that define who we are as a chapter. From initiation nights to Homecoming victories to brotherhood events and late build nights, I had the privilege of documenting memories that will last long after this semester. Some of the moments that stand out most will never fully show up in pictures. The late-night discussions about the future of the fraternity, the planning conversations, the goal setting, and the honest talks about where we want this chapter to go showed me how much everyone truly cares about what we are building here. Watching this chapter grow, welcoming 19 new brothers, earning first place overall during Homecoming Week, and continuing to strengthen our traditions is something I am genuinely proud to have witnessed and recorded. The stories and photos in these newsletters represent real effort, real friendship, and real commitment behind the scenes. Thank you to every brother, officer, advisor, and alumnus who helped shape the moments captured in these pages. Preserving this part of our chapter's story has been an honor. I am proud of what we built together and excited to see what the next generation of leaders continues to create.
