

TKE CONCLAVE 2019

UNIVERSITY FUNDING FACT SHEET

ABOUT

Conclave is a biennial gathering of Tau Kappa Epsilon's chapters, alumni associations, staff and VIPs. Every active, collegiate chapter is required to send at least one delegate to the convention in order to have full representation as votes are taken on bylaws, amendments and board members.

The full Conclave schedule includes a welcome ceremony, educational workshop lineup, offsite brotherhood event, full-group community service project, and Grand Inaugural Banquet. Participants will have the opportunity to interact and network with Tekes from all across North America, learn about the topics most crucial to TKE's success, and walk away with a better ability to impact their chapters, campuses and communities.
