

TKE FOUNDATION AMBASSADORS

TKE Foundation Ambassadors are a special group of dedicated individuals committed to advancing the Fraternity through their own philanthropic support. Ambassadors embody the Life Loyal Teke spirit by investing in TKE programs today and laying the foundation for the Fraternity's future growth and prosperity.

Dozens of Foundation Ambassadors are invited on a quarterly basis to participate in virtual sessions to ensure they are informed on the happenings of the Fraternity and Foundation, while enjoying the networking and fraternalism among Fraters with similar dedication and passion for our Fraternity. Opportunities are available for those interested in stewardship of other donors and/or direct fundraising initiatives.

» **\$1,000** *MINIMUM PER YEAR.*

Foundation Ambassadors commit to investing a minimum of \$1,000 per year to the Life Loyal Teke Fund (unrestricted) for a period of five years. Gifts may be made monthly, quarterly, or annually to reach the \$1,000 yearly expectation. Ambassadors are asked to document their philanthropic commitments via the TKE Foundation Ambassadors Pledge Form.
